Many small avalanches in Tepee Basin

Tepee Basin Southern Madison 12/15/2021 Code SS-N-R1-D1-O Aspect E Latitude 44.90410 Longitude -111.18500 Notes

There were many natural avalanches that were breaking on facets near the ground (4-6mm). The 3 feet of snow that fell created unstable conditions and avalanched during the **HIGH** danger. Most slides were less than 100 feet wide. By GNFAC.
