

Wet Loose/Slabs in Beaver Creek, Taylor Fork

Taylor Fork
Southern Madison
1/31/2024
Code
WS
Latitude
45.06070
Longitude
-111.27200
Notes

At the Taylor Fork wilderness boundary on an east-facing slope, we saw one natural wet [slab](#) avalanche and several smaller wet loose avalanches that likely happened yesterday during the warm sunny weather.
