

Cooke City Observations 03/02

Date

Sat, 03/02/2024 - 17:55

Activity

Skiing

Guides at Beartooth Powder Guides saw numerous natural avalanches near Cooke City. They noted new snow avalanches on most slopes steeper than 30 degrees. Additionally, they saw several avalanches that broke several feet deep on east, southeast, and southwest-facing terrain.

Region

Cooke City

Location (from list)

COOKE CITY
